

MODEL #17354

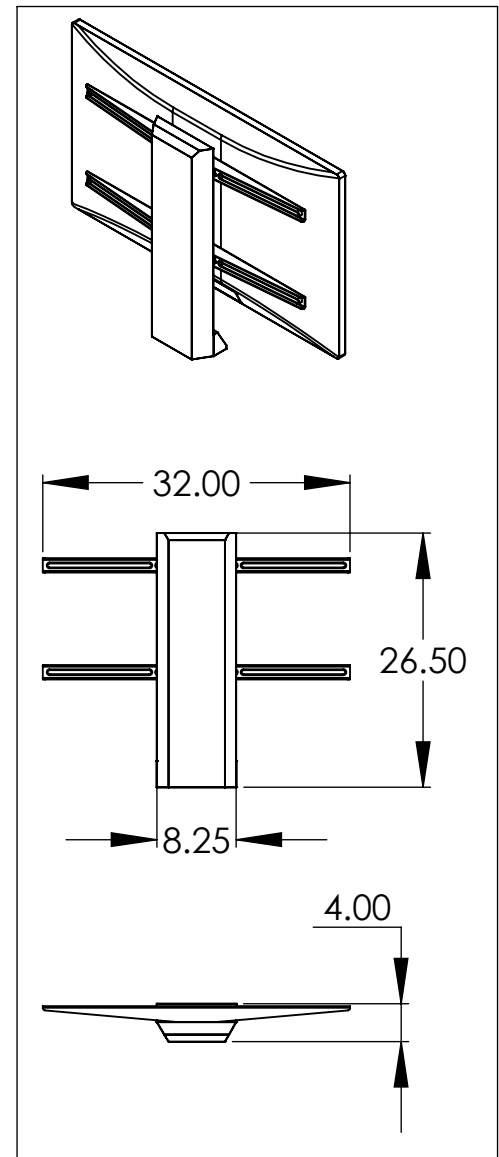

PRODUCT

DESIGN:

The large monitor table mount allows 32" - 50" monitors or TVs to be easily mounted to a table for use in conferences, displays or presentations. Available in black only.

MATERIALS:

An aluminum block serves as the base which attaches to the work surface using four machine screws. Two chrome-plated tubes are placed in two holes in the top of the aluminum block and secured by two M8 x 10 socket head screws. Two mounting brackets slide down the tubes and can be placed at the desired location before being secured by 2 M8 x 10 socket head screws. The monitor mounts to the mounting brackets with two grip plates and two M6 Phillips screws per mounting bracket. The back cover fits against and attaches to the back of the aluminum block using two M5 x 10 Phillips screws.

DIMENSIONS & FREIGHT: Product is NOT UPSable
