

# MILE MARKER TM

MODULAR CABINETRY & CASEWORKS

### **–**Mile Marker™

With the rapid pace of today's healthcare environments, a smart and efficient workspace is essential. Mile Marker delivers forward-thinking solutions for today's hardworking healthcare spaces.

With its broad offering and smart design, Mile Marker provides supportive solutions throughout facilities.

Whether it's for caregiver work stations, patient rooms, exam spaces, family respite areas or lab environments,

Mile Marker adapts and supports specific needs.

Its high quality construction is dependable from the time of install and throughout the life of the product.

Mile Marker's extensive offering of materials and options make it easy to specify for both renovations and new construction projects.

# **C**aregiver Spaces

Work studies provide first-hand knowledge of how caregivers perform their daily tasks. Quick response, balanced with supportive space, is the key driver to safe, happy and healthy caregivers. Mile Marker provides the tools along the caregiver's quest to support work flow in healing environments.

2

# **-Patient Spaces**

Evidence based design supports the idea that patients respond positively to a favorable environment. Mile Marker creates supportive and healing spaces with warm and comforting finishes, seamless surfaces to sustain infection control efforts and personalized storage for security and peace of mind.

### **Family Spaces**

Families are increasingly involved in the care and rehabilitation of their loved ones. Mile Marker equips nearby respite areas with all of the comforts of home. Cabinetry components are designed to easily incorporate such amenities as beverage centers and other appliances, work spaces for personal use and storage areas for longer stays.
