

_Theatre

Theatre is a versatile collection of patient room casegoods ranging from traditional to transitional, crafted to support the needs of patients, families and caregivers within one line. Theatre offers many standard built in features and optional upgrades that enhance the beauty and performance of the patient room. The ability to choose base rails, drawer and door fronts, edges, and hardware provide design options tailored to each project. Theatre scales the spectrum of healthcare design to create the optimal patient care experience.

Three drawer dresser featuring grip pulls, radius drawer front and tapered wood feet.

Bedside cabinet with single drawer and open storage underneath.

Single flat front door storage wardrobe with adjustable shelf and hanging bar inside.

Bedside cabinet with framed drawer and door fronts. Gallery rails protect belongings from falling off cabinet top, while casters support easy mobility.

Bedside cabinet featuring silver framed door/ flat drawer with Oyster Linen insert. Floating solid surface top with spill groove contains liquid spills for easy clean up.

Headboards and Footboards avaiable in matching finishes and laminates to give patient spaces a cohesive feel.
