CONFERENCE SOLUTIONS

Tables and Conferencing Solutions afford style, functionality, ease and versatility

- A variety of table bases in wood or metal can be paired with a multitude of top sizes and shapes in wood or laminate to create the perfect solution for any space.
- Complement your conference table with functional matching units to fully equip the room for productive use; buffet credenzas, serving carts and multipurpose units have convenient details like silverware organizers, on-board power outlets, and trash bins.
- Tabletop power/data centers provide convenient access for individual users, technical presentations or video conferencing—just plug in and begin.
- Wood species, finish options, edge details and pulls (on complementary furniture) match those of Kimball Office desks, storage and open plan furnishings, for a consistent appearance throughout a facility.

Conferencing Solutions may contribute to LEED credits. Please refer to our Environmental Data Sheets, located on www.kimballoffice.com, for specific details.

Conferencing Solutions meets SCS Indoor Advantage certification.
