### materials

#### ingredients

|   |                                   |
|---|-----------------------------------|
| face fiber                                    | nylon 6                           |
| dye method                                    | 71% solution dyed / 29% yarn dyed |
| backing                                       | performance polymer emulsion      |
| surface treatments                            | non c8 fluorocarbon chemistry     |
| does not contain PVC, phthalates, or PBD/PBDE |                                   |

#### recycled content

|   |                 |
|---|-----------------|
| total recycled content (by weight)              | 19.1 %          |
| pre-consumer                                    | 8.5 %           |
| post-consumer                                   | 10.6 %          |
| bio-based/rapidly renewable content (by weight) | 0.0 %           |
| packaging                                       | 100% recyclable |
| country of origin (manufacturer)                | USA             |

Meets or exceeds all local and national regulations in country of manufacture.

Manufactured in an ISO9001 & ISO14001 certified facility or equivalent.

Recycled content is calculated using system allocation, mass balance, and direct insertion.

The actual recycled content in this product will likely vary. For more information email [info@shawgreenedge.com](mailto:info@shawgreenedge.com).
