L5 Series Lecterns

ORDERING GUIDE

You can use this convenient guide to make choices to design your personal lectern.

Record the part #s that you've selected on pg. 4

Finally, a Lectern Built Around the Racks You Trust

The L5 Series Lecterns combine the strength and functionality of a rack with the look of furniture. The robust steel frame ships from stock to begin integration right away, and the finish panels ship separately to prevent damage.

- **Easy to Integrate**
- **Quick and easy customization**
- **Fast Lead Times**

FRAME

STEP 1

Start by choosing your frame/top style model: sloped turret top or flat

If using a flat panel control system, lectern-mounted touchscreen or if the sloped panel is desired for reading materials, choose the **Turret Model**.

If using a drop-inbox or if a traditional flat lectern with more room on the work surface is needed, choose the **Flat Model**.

Turret Frame	Flat Frame
L5-TURFR-XX	L5-FLATFR-XX
L5-TURFR-XX	L5-FLATFR-XX
L5-TURFR-XX	L5-FLATFR-XX

NOTE: Frame Kit Part# will have L5-T (Turret) or L5-F (Flat)

SIZE

STEP 2

Choose your width: 23", 33", or 43" wide, depending on equipment to be loaded into the system:

Part #	Width	Description
L5-TURFR-23	23"	(1) 12U rack bay
L5-TURFR-33	33"	(1) 12U rack bay & space for tower PC
L5-TURFR-43	43"	(2) 12U rack bays

NOTE: Frame Kit Part# will end with size selected (-23. -33,. or -43)

STYLE

STEP 3

Next choose your millwork finishing kit style:

Turret Models (choose between contemporary or traditional)

Turret model with traditional routing and hardware (shown with options)

Turret model with contemporary routing and hardware (show with options)

Flat Models (available in traditional only)

Flat model with traditional routing and hardware

Traditional (Turret)	Contemporary (Turret)	Traditional (Flat)
L5-TKIT-23	L5-TKITM-23	L5-FLKIT-23
L5-TKIT-33	L5-TKITM-33	L5-FLKIT-33
L5-TKIT-43	L5-TKITM-43	L5-FLKIT-43

NOTE: Contemporary is indicated by the "M" in the Part #

COLOR

STEP 4

Choose a color from our 13 finishes:

FIN-DS	Darkstone Laminate Finish
FIN-GS	Graystone Laminate Finish
FIN-PS	Pepperstone Laminate Finish
FIN-SG	Shark Gray Laminate Finish
FIN-EA	Ebony Ash lamiante finish
FIN-WG	Wenge Laminate Finish
FIN-DC	Dark Cherry Laminate Finish
FIN-DP	Dark Pecan Laminate Finish
FIN-AG	Aged Cherry Laminate Finish
FIN-HM	Honey Maple Laminate Finish
FIN-LW	Light Walnut Laminate Finish
FIN-MP	Maple Laminate Finish
FIN-SL	Slate Laminate Finish

NOTE: Add finish color as a N/C line on the order

CUSTOMIZE

STEP 5   Next customize top area

If selecting the Turret Model

The Presenter's Panel™ can be customized to hold most of the popular touchscreens or control panels (see Racktools for specifics www.racktools.com).

The panels and their respective available cutting areas are represented (pictured on right).

	For 23" (1 Bay) L5 Lectern	For 33" (1-1/2 Bay) L5 Lectern	For 43" (Dual Bay) L5 Lectern
	11.688 / 9.625	19.188 / 9.625	29.188 / 9.625
MAKE/MODEL			
MAKE/MODEL			
NOTES			

NOTE: Mounting kits are not included - most manufacturers include or sell kits for their products.
Some cutouts may require that small attachment holes or other hardware are added during mounting.

If selecting the Flat-Top Model

Portals or other components which need to be added to the work surface (which fit the available cutting area) can be easily dropped into the exact desired location.

RED OUTLINE is where cutouts **CAN** go.

**NOTE: 4.688" max depth, except where noted: 11.312 depth is available if not using the Document Camera Drawer.

	For 23" (1 Bay) L5 Lectern	For 33" (1-1/2 Bay) L5 Lectern	For 43" (Dual Bay) L5 Lectern
	6.9 — 13.435 / 4.688 deep / 11.312 deep / 8.812 / keyboard shelf	6.9 — 23.0 / 4.688 deep / 4.688 deep or 11.312** / 8.812 / keyboard shelf	6.9 — 10.0 — 23.0 / 4.688 deep / 4.688 deep / 4.688 deep or 11.312** / 8.812 / keyboard shelf
