<sup>1</sup>Dark Colors require additional care to maintain the original finish.

<sup>2</sup>This color contains large, randomly distributed particles

<sup>3</sup>This color contains random veining throughout the pattern

<sup>4</sup>Metallic color's unique properties change appearance of color and brightness when viewed from different angles and lighting conditions.

Green Type indicates Terra Collection

For price categories, please visit [countertops.dupont.com](http://countertops.dupont.com).

Helpful hints on selecting finishes:

- matte is easier to maintain than gloss
- lighter colors look better in matte
- darker colors look better in semi-gloss or gloss
