TRIUMPH DISPLAY EASEL

ghent®

Specifications

The 19250 patented design delivers strength and stability. The plastic legs of the easel retract for easy storage & handling. All three legs have rubber stoppers to keep slippage to a minimum. The inverted leg design adds strength and stability, and extends from 37" up to 62". The Triumph easel has permanently positioned board holders. When fully extended, the legs have a 3 foot span in all directions. Recommended maximum load is 25lbs. Ships via Fed Ex or UPS. It carries a 1-year guarantee.
