

# Time for a change

A retrofit  
as easy as L-E-D

**15w • 830lm • Adjustable • 50,000 life**

Looking for a fast, easy 6" LED downlight retrofit? The 15w Hornet LED Retrofit replaces up to 65w incandescent light sources. Small in size, but big on performance, the Hornet LED Retrofit provides crisp color, high performance, and adjustability that you did not have before. Once bitten by the buzz around the Hornet LED retrofit, you'll never want or need anything else.
