

bouloum

The Playful, Person-Shaped Chair

- Designed in 1969, Bouloum remains in vogue.
- Bouloum is contoured to mirror the human form, perfect for contemplation, relaxation and conversation.
- Bouloum can be used anywhere you want to create a relaxed and inviting atmosphere: office, library, healthcare, transportation and hospitality environments, and at home.
- Tubular steel frame under moulded CFC-free fire retardant HR urethane foam ensures durability and comfort.
- Bouloum is in the permanent collection of the Museum of Modern Art in New York.

Upholstery

- Slipcover upholstery allows for easy maintenance and flexibility with cover colour.
- Replacement slipcovers are available.
- Moguls Terratex® fabric is available in 16 colours.
