GRANADA SPECIFICATIONS

Table Top

Laminate or veneer table tops are 0.75" overall thickness finished with high pressure laminate or wood veneer. ERG offers over 1000 standard laminate choices from Nevamar, Wilsonart, Formica and Pionite. Wood veneer may be stained in your choice of transparent wood stain colors. For table edge, choose from Self Edge, 3mm PVC, or 3mm Woodtone PVC in one of 5 woodtones. Solid Surface Corian table tops quoted upon request.

Metal Table Frame

Metal table legs are made of 14 gauge 0.75" x 1.5" steel tubing. Frame is hand brazed welds, ground smooth and sandblasted. 4 black nylon glides are factory installed. Table frames are sandblasted and finished in your choice of standard powder coat colors.

Wood Table Frame

Wood table legs are made of 1" x 1.5" and 1" x 2" hardrock maple with pin and dowel construction. Sanded to perfection and stained in your choice of transparent wood stain colors.
