Nocturne™

EXTERIOR PROJECTION SCREEN by DRAPER®

As the sun starts to set it's time for the Nocturne to come out! Take your entertainment outside with Draper's newest screen model, designed for outdoor use on your patio, by your pool deck, or just about anywhere you can think of. The Nocturne is available in motorized (Nocturne/Series E) or crank-operated (Nocturne/Series C) versions.

Weather and insect resistant solid aluminum headbox includes built-in hinge for easy installation and service. Ships standard with cable guides and weighted dowel for maximum stability in breezy situations. Both wall and deck mount cable guide brackets included.

Easily raise or lower Nocturne/Series E with the touch of a wall switch, remote, or integrate it seamlessly into an existing home automation system. Choose the Nocturne/Series C for areas where power is unavailable.
