

C COLLECTION LOUNGE SEATING

HBF

Renowned designer Yves Béhar of fuseproject has created a bold collection of lounge, reception and private sitting area furnishings. The clean lines and contemporary styling of the C Collection integrate practical features such as functionality, ergonomic comfort, pull up work surfaces, and complementary lighting to create an efficient and elegant option for modern interiors. C Collection lounge seating, combined with C tables, provide a multitude of possible design configurations.

C COLLECTION LOUNGE SEATING

C Collection laptop tables with sliding sofa mount provide users with positioning flexibility; the swivel top offers yet another element to facilitate the efficiency of this modern work environment.

C Collection sofa with smooth seat and maple wood leg, shown with optional mounted, sliding laptop table. Repositionable laptop tables may be mounted to the C sofas. Connector tables also expand the functionality of this versatile collection; creating unique configurations.

5124-30 | C Collection sofa with contoured seat is visually enhanced by C glass occasional tables and a tempered glass coffee table with cantilevered top.

C Collection sofas with both a smooth seat and a contoured seat, combined with lounge chairs, offer comfort and elegance in any location. Connector, laptop and glass coffee tables, provide users an array of configuration choices – all exquisitely lit by the C Collection floor lamp.

C Collection functional connector tables are available with round, square and wedge shaped tops. Maple veneer and white solid surface material tops are anchored by powder coated metal bases available in three standard colors.
