CEILINGS

Integrated Solutions™ complements the clean, monolithic appearance for which Techstyle® Acoustical Ceilings Classic Series is known, by organizing light fixtures, diffusers and other penetrations into neat 6" strips that fit precisely between panels. Engineered for easy installation, the system offers a wide range of fixture spacings and panel sizes to accommodate a variety of configurations.

Light Fixture

Diffuser

6" Infill Panel

Partnerships with leading fixture manufacturers make integration easy.
