NOTE: Copa frames are constructed from a fluted aluminum extrusion.

Slings will stretch with use over time but will not affect comfort or performance levels. This is not a defect and is not covered under warranty.

Contact your sales representative for additional product information. See Copa tables (fluted frames) on page 79. Frame colors shown on page 95 and vinyl colors on pages 96-97. Refer to pages 91-92 for sling fabrics.
