

HALF MOON COVE LED

SERIES 1301

RETAIL / HOSPITALITY / OFFICE

FIXTURE:

- 4 sizes for easy customization: 1 ft, 2 ft, 3, ft, and 4 ft
- 48" minimum radius with 1 foot sections
- Nichia LED technology lighting performance
- Energy savings up to 50% and long life sustainability
- 7 year warranty

HIGH PERFORMANCE LEDs:

- Tightly binned mid-powered Nichia LEDs guarantee color uniformity
- Improved lumens per watt and propriety PCB system for even illumination, with superior thermal management
- 50,000 hours at 70% lumen maintenance (L70)
- 3000°K, 3500°K, or 4000°K with CRI 80 R9>50

PERFORMANCE:

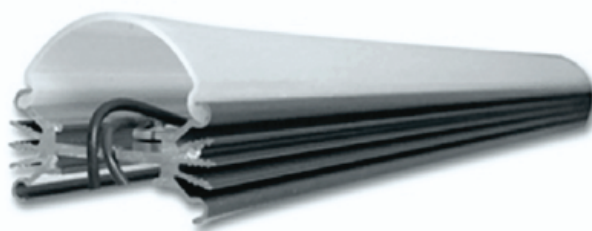

- 79 Lumens/Watt @ 3500°K based on independent photometric LM79 test reporting
- 12 Watts, 880 lumens, per foot (.5" O/C)

REMOTE DRIVER:

- Philips Advance 24 VDC driver
- Class 2 universal multi voltage 120 - 277v (50-60Hz) input
- Dimmable constant voltage, full cut off 0 - 10 volt driver, .95 Power Factor
- Instant start, with no humming
- 8 foot max connection per driver (96W max)

HOUSING:

- Aluminum housing for thermal management
- Low profile depth: 1 1/4"
- Architectural grade diffused lens
- UL Damp location rated
- 24 ga interconnector wires

WEIGHT: Lightweight, 10 oz per 12"

SPECIFICATION / ORDERING CODE: Example 1301-V-36-3-3-LED-30

PRODUCT	WATTS	VOLTAGE	SIZE	LED-CCT
1301-V HALF MOON COVE	12	3 UNIV. 120-277V	1 1'	LED-30 3000K
				LED-35 3500K
				LED-40 4000K
