

Saga Executive

Saga Executive

Sleek, sophisticated and rich in modern design and details, Saga has much to share. Radiating plush style with contemporary lines, refined stitch patterns and a distinctive signature arm, not to mention the superb comfort of a memory foam enhanced seat, this Saga has no need for a sequel.

957-H

High back conference/executive chair offers adjustable seat height with tension control, tilt lock, signature cantilever arms and optional polished aluminum base.

954-M

Mid-back swivel tilt model features adjustable seat height, tension control, signature cantilever arms and optional polished aluminum base.

983-M
