

INTENSE LIGHTING WARRANTY

EXTERIOR LED PRODUCTS: 5-YEAR LIMITED WARRANTY

Date Code: 03-31-16

Intense Lighting warrants the LED electronics and components of its properly installed EXTERIOR LED products listed below, to be free of defects in material and workmanship in normal use, for a period of five years from the date of our shipment and warrants the painted finish for a period of one year from the date of our shipment.

Intense Lighting will repair or replace, at its option, any warranted product returned to it that it determines to be defective. This limited warranty does not include installation or removal. In addition to complete failure, defects include lumen depreciation to levels below 70% of initial lumen output within warranty period and/or color shift beyond that which is set forth in the Energy Star Program Requirements for SSL – Version 1.1 within warranty period. The painted finish of the product will be considered defective in material or workmanship only if there is substantial deterioration in the form of blistering, cracking, or peeling.

Defects do not include improper installation or operation, alterations, power surges or overheating due to external conditions. The painted finish is not warranted against fading or chalking, as it may naturally flake or chalk over time due to normal aging. To receive credit for defective merchandise, product must undergo quality inspection prior to the processing of credit. If the product is found defective, you will be issued a credit. Product in good working condition will not receive a credit. Please inform your accounting department to not short pay or issue any debits to our company regarding a return. Testing and evaluation can take approximately 1-2 weeks based on quantity. At that time you will be notified if credit is granted for your warranty return.

THE ABOVE EXPRESS WARRANTY STATES THE FULL AND COMPLETE OBLIGATION OF INTENSE LIGHTING. ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN DURATION TO THE TERM OF THE EXPRESS WARRANTY. UNDER NO CIRCUMSTANCES WILL INTENSE LIGHTING ACCEPT LIABILITY FOR ANY CONSEQUENTIAL SPECIAL OR INDIRECT DAMAGES WHETHER ARISING OUT OF CONTRACT, TORT, OR STRICT LIABILITY.
