Full Seating Collection

- There's a solution for every area of the offices from conference rooms to cafés to standing-height workstations.
- Choose from work chairs, work stools, 4-legged stools, and side chairs.

Ergonomic Adjustments

Relate offers several innovative technologies that allow you to personalize your work chair quickly. It's all about exceptional ergonomics that relate to you.

- Fully adjustable arm option is available with height, width, depth, and pivoting adjustments to provide optimal support.
- Body Adaptive Control™ combines a weight-sensing tilt with a pivoting back to reduce muscle fatigue and encourage healthy movement throughout the day.
- Quick Tension™ lever enables quick and easy fine-tuning of back support.
- Height-adjustable lumbar support allows for more personalized comfort.
- Side chairs and 4-legged stool feature a unique pivoting backrest to help eliminate localized back pressure.

More Design Choices

A variety of styles and fabric and finish options let you create chairs that fit your needs and your work environment.

- Choose from a variety of frame finishes, including Charblack, Mineral Grey, Silver, and Polished Aluminum.
- Select high- and mid-back work chairs available with mesh, upholstered, or leather. Side chair and 4-legged stool available with mesh, upholstered, leather, or wood backs.
- Work chairs and stools are available with fully adjustable arms or fixed C arms. Side chairs and stools are available with arms or armless, and with or without casters.
