

## The Allsteel Environmental Data Sheet For Office Furniture

Section 1. Product and Manufacturer			
Product:	Nimble Cart		
Manufacturer:	Allsteel, Inc		
General Contact:	Customer Support Department 888-255-7833 ASICS@allsteeloffice.com		
Technical Contact:	Courtney Moline Sustainability Manager MolineC@allsteeloffice.com		
Note: This example is intended to be typical and representative of Nimble Cart in construction, materials, and processes.			
Section 2. Materials and Recycled Content			
Material	Percentage by weight in product	Percent of recycled content Post consumer (PC) /Pre consumer (PI)	End-of-Useful-Life Management
Steel	99%	25% PC - 7% PI	Recycle
Other	1%	0% PC – 0% PI	Not recyclable
<b>Inputs for LEED MR 4</b>		<b>Post Consumer = 24.8%</b> <b>Pre Consumer = 3.5%</b>	RC Value Factor=0.28 Recyclable = 99%
Comments:			
1. Recyclability is dependent on availability of local recycling options 2. Allsteel adheres to the Federal Trade Commission Part 260 Guide for Environmental Marketing Claims			
Section 3. Process Description			
<input type="checkbox"/> Formed steel, welded, and painted <input type="checkbox"/> Casters added <input type="checkbox"/> Product is packed in a corrugated fiberboard box			
Section 4. Indoor Air Emissions			
Test Methodology: ANSI-BIFMA 7.1-2007 (updated in 2011)	Test Location:		
Standard	Compound	Criteria	Acceptable
Title VI of the 1990 Clean Air Act Amendments. (CFCs & HCFCs)	This product does not contain and is not manufactured with ozone depleting chemicals.		
World Health Organization (WHO)	Formaldehyde	NA	NA
California Specification 1350	Chronic Ref Exposure Levels	NA	NA
<b>United States Green Building Council Leadership in Energy and Environmental Design (LEED-CI) (Option 3)</b>	TVOC	NA	NA
	Formaldehyde	NA	NA
	Total Aldehydes	NA	NA
	4-phenylcyclohexene	NA	NA
Notes: Additional data may be available upon request. The cart is not considered as systems furniture or seating so testing and certification are not required. Painted metal used for other furniture always does well in indoor air quality testing.			

### Section 5. In Service Maintenance Instructions

Painted surfaces: Clean with warm water and mild soap. Wipe with a clean cloth. Never use caustic solutions or abrasives.

### Section 6. Non-Obsolescence Statement

Allsteel Inc. warrants its products to be free from defects in material and workmanship for as long as the original purchaser owns them. Allsteel shall repair or replace with comparable product (at Allsteel's discretion), free of charge, any Allsteel product or component that fails under normal commercial office use, refer to the complete copy of the Allsteel Lifetime Warranty located at [www.allsteeloffice.com](http://www.allsteeloffice.com). Enter "warranty" in search window, this will take you to Allsteel's current warranty document.

Parts of the warranty are excerpted below.

This warranty does not apply to:

- Normal wear and tear over the course of ownership.
- Modifications or attachments to the product not approved by Allsteel.
- Products not installed, used, or maintained in accordance with product instructions and warnings.
- Products used for rental purposes.
- Damage caused by the carrier in-transit, which is handled under separate terms.

The warranty is subject to the following provisions:

- Some natural variations occurring in wood, leather, or other natural materials is inherent to their character and not considered defects. Allsteel does not warrant the color fastness or matching of colors, grains, or textures of these materials. Additionally, a Customer's Own Material (COM) selected by, and used at the request of, a user is not warranted.

This Warranty applies only to products sold within the United States and the Commonwealth of Canada. Your Allsteel Dealer is our mutual partner in supporting your warranty requests. To obtain service under this warranty please contact your Allsteel Dealer.

### Section 7. Manufacturer Commitment

Vision Statement	Encompasses sustainability in social, environmental, and economic practices. Commits financial resources to community involvement.
Environmental Policy	Integrated into Enterprise Sustainability Policy
Environmental Management Program	Integrated into mainstream manufacturing. Strong emphasis on environmental consideration during changes in material and processes. Safety incorporated into program. Aligned with ISO 14001 but is not ISO Certified.
Recycling and waste minimization program	Rapid Continuous Improvement program drives out waste, encourages material efficiency, energy efficiency, and recycling.
Audits	Monthly self audit program implemented through the Environmental Management training process. Internal audits are conducted by formal procedure with periodic external audit..

### Section 8. Applicable Programs and Ratings

Program	Applicability / Standard	Rating
Leadership in Energy and Environmental Design (LEED)	Energy and Atmosphere Materials and Resources Indoor Environmental Quality Innovation in Design	Allsteel products may contribute to several LEED credits.

Note:
