ESCALA | BOOKCASE – SERVING/MEDIA CART

A collection that is at once thoughtful and comprehensive, Escala becomes the newest conference sensation from Arcadia. With the ability to accommodate multi-use spaces from intimate to high capacity applications, as well as furnish multi-media presentation rooms with technological ease, Escala combines stylish simplicity with functional practicality. Best of all, the attractiveness of this upscale and modern series lies not only in its overall quality, but in the beauty secrets that reveal themselves in every detail.
