

FSB 1119 incorporates insights gained by FSB in cooperation with the Fraunhofer Institute. While when producing the FSB 7655 utmost importance was given to the rigorous implementation of ergonomic parameters, for the FSB 1119 formal aesthetic considerations took precedence.

Design: Hartmut Weise

Materials and Finishes	Aluminum		Stainless Steel		Bronze	
	0105 (628)	0505 (703)	6204 (630)	7305	7615 (615)	7625 (613)
