# High PerformancePC

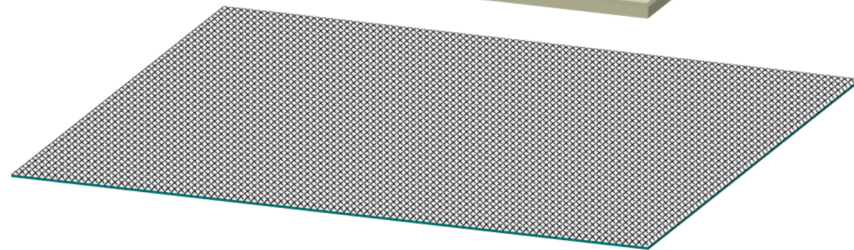

Antron®, Ascend or Universal nylon 6,6 tufted face product with XTERA™ soil and stain protection

High-density woven polypropylene backing improves pattern straightness, dimensional stability, and pattern definition.

Three-step direct application, utilizing premium polymeric latex increases yarn bundle encapsulation and tuft lock; includes a 10-year warranty for protection against problems associated with edge ravel, delamination, and tuft bind.

High-density woven polypropylene backing increases dimensional stability.

High PerformancePC backing structure contains 73% pre-consumer and 0% post-consumer recycled content. It is certified Cradle to Cradle Silver, NSF® 140 Gold, and CRI Green Label Plus.
