

**Model****Overbed Tables****Dimensions**

	Without Side Table	With Side Table
Width	32	40
Depth	18	18
Height	29 to 44	29 to 44

**Options:**

Rectangle or Kidney shape tops

2 base designs - H and U

Hide-away vanity

Storage Basket

Note: Spill collector edge standard on Thermoform tops only

**Base Construction**

Both the U and H frame are constructed by connecting 2 major components. The Table base is welded steel construction with injected molded casters. The adjustable column that can travel 29" to 44" is constructed from two extruded aluminum parts that are mechanically fastened to both the base and the top.

**Laminate Tops**

Laminate tops are constructed of 3/4" NAUF (no added urea-formaldehyde) particle board (Phase 2 CARB compliant) core, covered and bonded with a water-based glue to a 1/16" high-pressure plastic laminate sheet on top and a plastic laminate backing sheet below for a sandwich top thickness of 1 1/8". The core is manufactured with 100% recycled material and is manufactured inside a FSC Certified manufacturing facility. The top density is 39 pounds per sq. in. Edges are made from high impact laminate.

**Thermoform Tops**

Features an ABS colored layer, which is permanently fused with a clear ultra high gloss acrylic top layer. This product is then flat laminated to MDF. ABS is an impact resistant, mechanically and thermally resilient, high quality thermoplastic which is ecologically responsible.

**Casters**

Non-locking casters
