Fixture Family: **FAIRFAX/CARLTON/OLYMPIA**
Document Description: Installation Instructions for
CEILING MOUNT Series Luminaires

Drawing: 760732XX

Rev: C

Sheet: 1 of 1

Eng: JHP

Date Drawn: 6/1/07

1. Loosen and remove mounting screws and separate the mounting plate from the lamp pan assembly.
2. Fasten mounting plate to junction box and to ceiling through auxiliary holes.
3. Make all necessary wire connections.
4. Reattach lamp pan assembly to mounting plate by aligning standoffs with clearance holes in the lamp pan assembly and secure with mounting screws.
5. Install proper lamps per relamp label.
6. Align the lock pins on the lens and trim and ring assembly with the slots on the lamp pan assembly by using the aligning assistant studs on the lamp pan assembly and twist the lens and trim ring assembly in a counter-clockwise direction until it locks in place.

When using electrical equipment, basic safety precautions should always be followed, including the following:

- Read all instructions carefully installing and save for future use.
- Make sure all connections are in accordance with the National Electrical Code and local regulations.
- To avoid possible electric shock, be sure the power supply is turned off before servicing or installing the fixture.
- Service should be performed by qualified personnel.
- These instructions may not cover all details or variations. If additional information is needed, please contact Visa Lighting.
