- Integrated PUR technology (iP)

- No wax or finishes for life of product

- Dry buff maintenance

- Homogeneous construction

- 40 colours

- 10 year warranty

Altro Chrysalis™ Smooth(iP)

Maintenance comes easy with Altro Chrysalis Smooth(iP). This non-directional, homogeneous vinyl flooring range never needs waxing or finishing. In fact, dry buffing is part of the product's maintenance regime.

Better still, Altro Chrysalis Smooth(iP) has enhanced cleanability and scratch resistance from its integrated PUR technology (iP).

Altro Chrysalis Smooth(iP) offers exceptional performance in a range of environments, from healthcare to hospitality, education and office buildings. With a colour palette with everything between cool neutrals and vibrant colours, rest assured you will be able to create a welcoming environment no matter your design plan.

Technical Data

Thickness	2.0mm
Roll length	20m
Roll width	2m
Weight	2.85kg/m ²
Colours available	40
Warranty	10 years
Static load limit - ASTM F970	2000 psi
Slip resistance - ASTM D2047	>.6
Critical radiant flux - ASTM E648	Pass - Class 1
Smoke generation - ASTM E662	Pass <450
Surface burning - CAN/ULC-102.2	Tested
Dimensional stability EN 434	Pass
Flexibility EN435-A	Pass
Castor wheel test EN425	Pass
Effects of stain EN423	Pass
Colour fastness EN ISO 105-B02	6
Abrasion resistance EN 660-2	Group T

Cleaning and maintenance

Maintain the appearance and properties of your flooring with regular cleaning and dry buff as required.

For cleaning instructions please visit altro.com/downloads and click on 'Maintenance Guides'.

Sustainability
