

# Pedestal Lecterns

Pedestal lecterns are offered in two styles - traditional and contemporary floor models, and they are available with veneer finishes. A protective strip protects the pedestal base from presenter's shoes. Pedestal Lecterns are available in 25", and feature an over-sized reading surface and heavy duty industrial casters for easy mobility. All Pedestal Lecterns incorporate a high intensity reading light and LED digital clock/timer with countdown capability. See Lectern Options for premium sound, and other options.
