

EXPANDED STORAGE OPTIONS

Learn2

*flat accessory rack
enhancement*

For a more traditional look, KI now offers a flat accessory rack option in addition to Learn2's highly popular side-mounted accessory racks .

FEATURES:

- Increased storage space
- Access from either side
- No interference with user leg or foot movement

Flat accessory rack is available on Learn2 with either Intellect Wave or Strive seat shells. Perforated steel rack is powdercoat painted to match the chair's frame color. Flat rack ships fully assembled (not field retrofittable).
