

LTB

Haworth | Catherine Le Téo and Thierry Blet | 2010 | Made in the United States

FEATURES AND SPECIFICATIONS

Fully Upholstered Straight Benches

The cushion has a center seam on benches 55.1" (1400mm) and greater. The adjustable glides are black plastic.

Semi Upholstered Straight Benches

The upholstered cushion is supported by a painted fiberboard base. The cushion has a center seam on benches 55.1" (1400mm) and greater. The adjustable glides are black plastic.

Semi Upholstered Curved Benches

Each bench is a 45 degree curve. Eight benches make a complete circle. The upholstered cushion is supported by a painted fiberboard base. The adjustable glides are black plastic.

Armrests

Armrests are for use on straight benches with a width of 55.1" (1400mm) or greater. Two colors may be specified — one on the front of the arms, and the other on the interior and exterior. An adjustable bracket allows the armrest to slide along the bench, and is tightened underneath the bench to lock it in place.

Cushions

Upholstered cushions provide additional lumbar support for benches with an armrest.

Seating Trays

Constructed of bent plywood, which is either painted or veneered.

ADDITIONAL NOTES

LTB tables compliment LTB seating.

When specifying tables, seating trays, or armrests, be sure match to match the depth of your seating.

UPHOLSTERY AND FINISHES
