

HAWORTH®

# Planes®

# RESPOND APPROPRIATELY

Planes tables support the needs of people as they move throughout the day. At individual workstations, in training sessions, or during collaborative interactions, Planes provides solutions that support productivity, ergonomics, and technology. Work changes. Planes adjusts.

# SIT. STAND. COLLABORATE.

Planes benching allows people to exercise their choice: sit, stand, work alone or together. Need to shift gears? Move to a conference table to meet, spread out, and pull in a Planes or Workware™ Easel to share work in progress.

## GET THE TRAINING ROOM READY

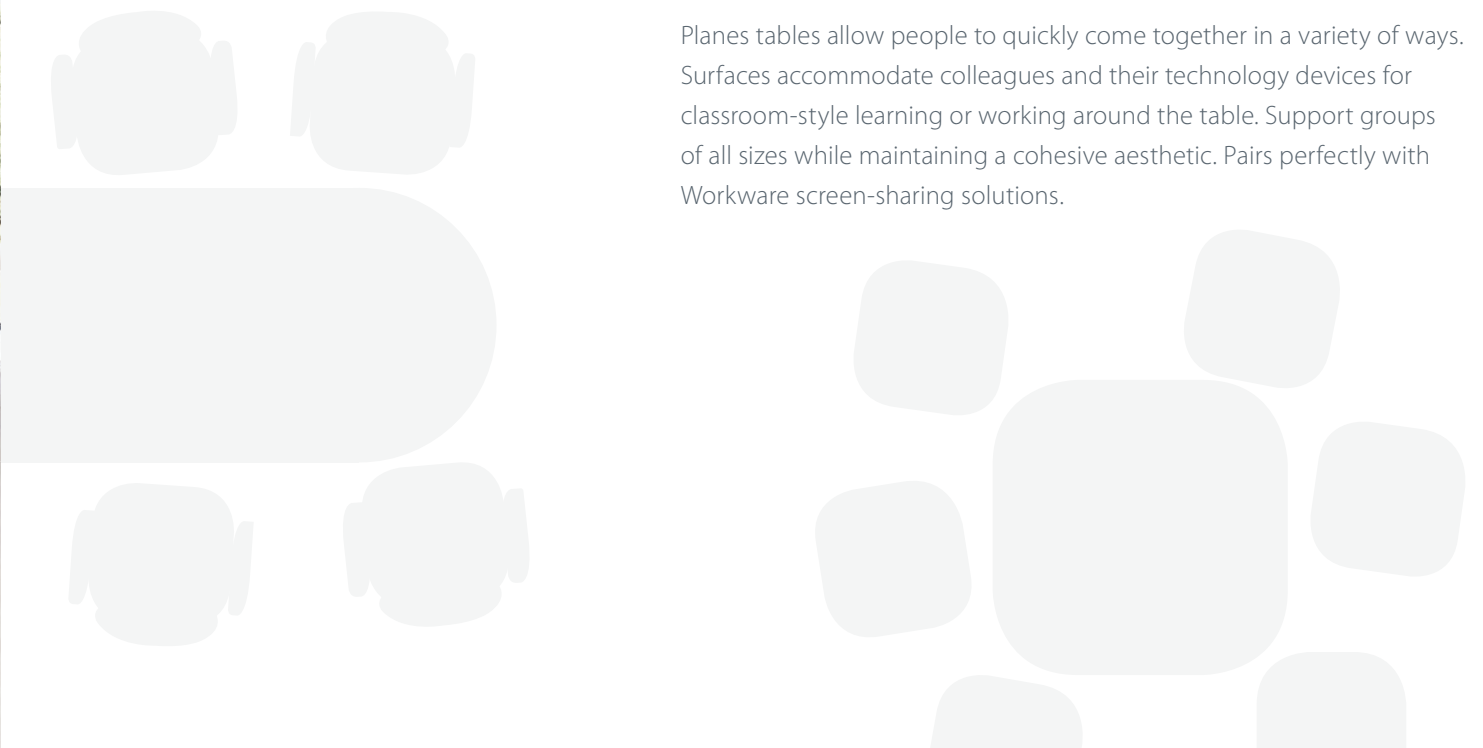

Want more engaged people at your next conference or seminar? Break into workgroups and use technology-driven activities. Share learnings through the Bluescape™ multi-touch screen using multiple devices. Need to switch things up? Move Planes training tables around, then quickly reconnect to power and data. Choose from a variety of table tops, including curved and rectangular, to optimize collaboration. With flip tops, casters, and hinged modesty panel options, tables adapt to your agenda and layout.

## STAY CONNECTED IN SMALL GROUPS

Planes tables allow people to quickly come together in a variety of ways. Surfaces accommodate colleagues and their technology devices for classroom-style learning or working around the table. Support groups of all sizes while maintaining a cohesive aesthetic. Pairs perfectly with Workware screen-sharing solutions.

## BE CASUAL AND PRODUCTIVE

Social spaces with variety and choice draw people in. Create a consistent vibe at various table heights, where people on the go can grab a bite, brainstorm, or catch up. Planes tables offer multiple surfaces for lounge areas between destinations.

# SET UP THE CONFERENCE ROOM

Meetings and presentations raise expectations. More formality. More structure. Planes conference tables make a strong statement with smart surface cutouts, power distribution, and wire management. Refined column cladding and long stretches of surface with minimal columns reinforce the experience and sleek aesthetic.
