Guest Seating

Design

Mitre Guest Seating, from the Mitre Collection, continues Gary Lee Partner's vision of timeless, elegant design. The intent of the collection was to develop a product where the ornamental aspect of each member is stripped down to the pure essence of its form and function. Mitre Guest chairs possess a timeless quality where simplicity, proportion and attention to detail ensure the longevity of the design statement.

Mitre is available with an upholstered or wood back in 100% FSC Certified ash or beech and a full range of standard or custom finishes.

Finishes available on Mitre

Mitre is available with a fabric back or partial height solid horizontal wood back. The wood frame is available in beech or ash in Halcon wood finishes.

Available on and Beech:

NA11S4	Natural (clear coat)
BE10S4	Light Steamed Beech
CH11S4	Light Cherry
CH16S4	Natural Amber Cherry
CH21S4	Medium Dark Cherry
CH22S4	Medium Light Cherry
CH23S4	Golden Cherry
MA10S4	Light Maple
MA12S4	Pearwood Maple
MA16S4	Natural Sun Maple
MH10S4	Light Mahogany

Available on Ash:

NA11S4	Natural (clear coat)
WO23N2	Wheat Oak
WO24N2	Sage Oak
WO25N2	Coffee Oak
RO65N2	Dark Red Oak

FSC Certified

Mitre Guest Chair frames are 100% FSC Certified.

Special Finishes and Treatments

Custom Wood Finishes: add \$400 list per order.

Custom finishes may extend delivery time by 15 days. Counter samples of custom finishes will be provided at no charge; extended delivery may be necessary pending customer approval of sample.

Halcon Covergard Stain Repellant:

Add \$7 list per yard.

Applied after furniture is upholstered, with extra saturation and care given to vulnerable areas such as arms, backs and seats. Covergard precludes delays and transit charges associated with off-site alternatives.

Fire Resistance:

Seating can be manufactured to conform to any specific fire code: please specify on purchase order. Reference here is made to furniture construction only and does not pertain to fabric.

California Fire Code (#117) is available on request at no additional charge. California (#133), New Jersey and New York Port Authority compliance is available. Add \$56 list per fabric yard.

Halcon reserves the option of using either FIRERETARD foam or FIRE-GUARD barrier. Changing foams may alter feel and visual appearance.

Cartoning and Crating

Cartoning is included in prices. Prices for domestic or export crating are available on request.

Terms & Conditions

Placing an Order

Please confirm that you have gathered all required information prior to placing your order. Specify all items by their product number, along with the quantity, finish color, tagging information and all other specifications necessary to fully define your order. If your project has a HALCON Quote Number, it must be referenced on your purchase order to ensure timely order processing. Purchase orders should be submitted electronically to halcon@halconfurniture.com.

Prices & Terms

All prices are list, freight prepaid, FOB Stewartville, Minnesota. HALCON pricing includes packing for North American shipment. Prices do not include crating, storage, shipping, delivery, installation or taxes. Payment terms based on credit approval and project scope. HALCON reserves the right to make changes to price without prior notice.

Order Acknowledgment

All orders and subsequent change orders must be in writing. HALCON will issue a written acknowledgment; customers should verify the acknowledgment for accuracy. The acknowledgment is the final agreement between HALCON and the customer. The price list identifies the information that must be noted on the purchase order. Any omission may result in the delay of processing your order. All quotations, acknowledgments, and invoices are subject to corrections for errors or omissions.

Changes & Cancellations

Requests for changes or cancellations of acknowledged orders must be made in writing and will only be approved by mutual agreement. A minimum 25% change/cancellation charge will apply.

Freight Terms

All merchandise is shipped FOB factory, Stewartville, Minnesota. All shipments are made according to the purchaser's instructions, or what in HALCON's judgment is the best way if instructions are not received, and at the purchaser's risk. All orders are acknowledged with an approximate shipping date. Shipping charges are prepaid (within the continental United States).

Claims

HALCON is not responsible for damage to merchandise which occurs in transit or Storage. It is the customer's responsibility to examine furniture upon receipt and note any damage in transit on the carrier's delivery receipt. The carrier should be notified by the buyer to inspect the merchandise, and file a claim immediately. If visible damage is not apparent, sign the delivery receipt 'NO VISIBLE DAMAGE'. This will allow recourse for a concealed damage claim.

Deliveries

All orders are acknowledged with an approximate shipping date. HALCON's liability ends when the carrier issues a receipt to HALCON Corporation, which is an acknowledgment by transportation company that the shipment has been received by the freight company in good condition.

Visible Damage

All visible damage or any shortages must be noted on the carrier receipt and signed by the delivering driver. Do not sign the receipt until the visual inspection is complete at the time of delivery.

Repair Authorization

Prior written approval is required for repairs of merchandise charged to HALCON. Failure to do so will result in customer funded repairs.

Concealed Damage

All cartons must be opened and inspected prior to signing the bill of lading. Damage which is not apparent until merchandise is unpacked, will only be recognized if HALCON is contacted within 72 hours of receipt of goods. Any claims against HALCON for defects, errors or shortages must be made by the customer in writing within 72 hours of the delivery date. Failure of the customer to make any claim against HALCON within the 72 hour period shall constitute acceptance of the merchandise and a waiver of defects, errors or shortages. Damaged freight cannot be refused by the consignee (buyer). Request an immediate inspection. **Keep all packing materials pending inspection. Do not move merchandise from the receiving area**

Storage

If shipment of completed merchandise is postponed by the customer, HALCON reserves the right to transfer the merchandise to Storage, all at the customer's risk and expense. Such transfer to Storage shall be deemed delivery to the customer for all purposes, including invoicing.

Warranty

HALCON merchandise is manufactured in accordance with the highest standards of design and manufacture, and is warranted to be free from defects in material and workmanship for a period of ten years from date of delivery (with the exception of electronic and communication components which are warranted for one year), under normal use and under conditions for which the product was designed. Electric height-adjustable desks are warranted for five years while pneumatic height-adjustable desks are warranted for two years. During this warranty period, HALCON will repair, or at its own option, replace, such merchandise as shall prove to be defective.

This warranty applies only to the original purchaser. The warranty does not apply to damage resulting from accident, alteration, misuse, tampering, negligence or abuse. Warranty does not extend to personal or residential purchases. Fabrics are in no way warranted by HALCON. This warranty does not extend to color, grain, or texture of natural materials such as wood, marble or leather, because of naturally occurring variations. HALCON does not warrant matching of color grain or texture, except as specified in the order confirmation. All other warranties (including any warranty of merchantability or fitness for any particular purpose) are hereby excluded. The foregoing shall constitute HALCON's sole warranty and exclusive remedy of customer. **HALCON shall not be liable for loss of time, inconvenience, commercial loss, or incidental or consequential damages.**

Wall Mounted Cabinets

All wall mounted cabinets and shelves include a separate wall cleat that is sized to support the cabinet but does not include wall cleat attachment hardware. The structural capacity of the support wall and the anchoring of the cleat to the wall are beyond the control and expertise of HALCON. It is, therefore, understood by all parties involved that it is the responsibility of the buyer, owner and/or installer to consult with the building owner, architect, interior designer, structural engineer and/or contractor to ensure that the supporting wall structure and cleat attachment method will support the size and weight of the specific cabinet selected from the HALCON price list.

Miscellaneous

All products shown in the HALCON catalog are, and remain, the property of HALCON, and HALCON reserves the exclusive right to manufacture the models shown. All dimensions and weights shown are to be considered approximate. HALCON reserves the right to make changes in dimensions, design and/or construction without prior notice.
