

## Beautiful, recessive design.

The seamless aesthetic of Lite Scale Glazing enhances Privacy Wall and Glass Selections modular architecture solutions to define workspaces and infuse elegance. Lite Scale Glazing also integrates with traditional construction to let in light and lend sleek sophistication.

### **SLEEK SOPHISTICATION**

Thin, 1/2" butt-glazed glass and low profile trim create a beautiful, timeless and recessive design.

### **SIMPLE INTEGRATION**

Lite Scale Glazing complements Privacy Wall and Glass Selections as well as traditional construction.

### **ECONOMIC ELEGANCE**

Lite Scale Glazing is a cost effective butt-glazing solution that can compress construction schedules.

---

### **GLAZING OPTIONS**

- Tempered
- Laminated
- Special
- Locally supplied glass

### **PRODUCT DETAILS**

- Provides an additional butt-glazing solution to Privacy Wall and Glass Selections
- Low profile bottom trim (approximately 1"H)
- Seamlessly integrates with all Privacy Wall and Glass Selections cross walls and swing doors
- Design provides minimal extrusions and allows both "T", "L" and variable angle corners without the need for vertical in-line posts
