

**Environmental Attributes**

- Product Category — Architectural Solutions: Space Division
- Certifications — Cradle to Cradle™ Certified – Bronze v3.1 (depending on options)  
— SCS Indoor Advantage™ Gold certified for indoor air quality in North America
- LEED Contribution — Recycled content  
— Regional materials  
— Certified wood  
— Low-Emitting materials  
— Daylight and views  
— Innovation in design  
— Sustainable purchasing  
— Furniture and medical furnishings  
— Resource use
- Environmental Facts — 63% recyclable  
— 43% recycled content  
— Only C2C certified moveable wall solution

**Recycled Content Summary**

Total Weight (lbs) 6,205.9 typical configuration

Recycled Content (lbs)	2683.9	Recycled Content	43%
Post Consumer (lbs)	649.3	Post Consumer	10%
Pre Consumer (lbs)	2034.5	Pre Consumer	33%
Recyclable Content (lbs)	3,883.1	Recyclable Content	63%

Disclaimer

Numbers may vary based on model and options selected. Calculations based on Privacy Wall Typical Cluster of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice. Cradle to Cradle Certified™ is a certification mark licensed by the Cradle to Cradle Products Innovation Institute

Program	Category	Item	Contribution
LEED-INTERIOR DESIGN & CONSTRUCTION (formerly LEED-CI)	Materials & Resources	MR 4 (recycled content)	Post-consumer (10%) + ½ pre-consumer (33%) = 26.9%.
	Materials & Resources	MR 5 (regional materials)	Privacy Wall is assembled in Athens, AL. Projects ≤ 500 miles from this location qualify.
	Materials & Resources	MR 7 (certified wood)	Steelcase offers FSC certification as an option, which contributes to this credit.
	Indoor Environmental Quality	IEQ 4.4 (low emitting materials)	Wood doors with no added urea-formaldehyde can be specified.
	Indoor Environmental Quality	IEQ 4.5 (low emitting materials)	Privacy Wall is SCS Indoor Advantage™ Gold certified in North America.
	Indoor Environmental Quality	IEQ 8.1 & 8.2 (daylight and views)	Glazed Privacy Wall panels can be applied to achieve daylight penetration into occupied areas as well as provide lines of sight to the outdoor environment.
	Innovation In Design	ID 1 (innovation in design)	LEED offers opportunity on a project specific basis to earn points by demonstrating innovation. USGBC has previously accepted the use of C2C certified products to achieve one of these points.
LEED-DESIGN & CONSTRUCTION (formerly LEED-NC, LEED-Core & Shell & LEED-Schools)	Materials & Resources	MR 4 (recycled content)	Post-consumer (10%) + ½ pre-consumer (33%) = 26.9%.
	Materials & Resources	MR 7 (certified wood)	Steelcase offers FSC certification as an option, which contributes to this credit.
	Indoor Environmental Quality	IEQ 4.4 (low emitting materials)	Wood doors with no added urea-formaldehyde can be specified.
	Indoor Environmental Quality	IEQ 8.1 & 8.2 (daylight and views)	Glazed Privacy Wall panels can be applied to achieve daylight penetration into occupied areas as well as provide lines of sight to the outdoor environment.
	Indoor Environmental Quality	IEQ 4.5 (low emitting materials)	These standards do not currently include furniture in the IEQ credit; however USGBC has allowed equivalent credit for furniture/furnishings when submitted as an Innovation in Design credit.
	Innovation In Design	ID 1 (innovation in design)	LEED offers opportunity on a project specific basis to earn points by demonstrating innovation. USGBC has previously accepted the use of C2C certified products to achieve one of these points.

# Steelcase Product Environmental Profile – Privacy Wall

Program	Category	Item	Contribution
LEED-OPERATIONS & MAINTENANCE (formerly LEED-EB)	Materials & Resources	MR 2.2 (sustainable purchasing – durable goods)	Exceeds the $\geq 10\%$ post consumer <b>or</b> $\geq 20\%$ pre-consumer criteria.
	Materials & Resources	MR 3 (sustainable purchasing – facility alterations and additions)	Exceeds the $\geq 10\%$ post consumer <b>or</b> $\geq 20\%$ pre-consumer criteria.
LEED for Healthcare	Materials & Resources	MR 5 (furniture and medical furnishings)	<p>May contribute toward 1 point awarded for 30% or 2 points for 40% total value of freestanding furniture and medical furnishings because it meets one or more of the three options for this credit .</p> <p><b>OPTION 3 - Sustainably Sourced Material Criteria</b> (per MR Credit 3)</p> <ul style="list-style-type: none"> <li>•Recycled Content value is determined by multiplying the recycled content percentage by the cost of the assembly. The recycled content is: see MR 4 above.</li> <li><b>or</b></li> <li>•The value of all materials assembled locally within 500 miles of the project site is included. Privacy Wall is assembled in Athens, AL.</li> </ul> <p><b>Note: MR Credit 3 defines the sustainability criteria for use in MR Credit 5. To avoid double counting, furniture and medical furnishings contribute to MR Credit 5 and <u>not</u> MR Credit 3.</b></p>
	Materials & Resources	MR 6 (resource use – design for flexibility)	100% moveable and reusable – extending the life of the wall and eliminating the need to landfill.

## Other Credit Contributions

Although not specific to this product, Steelcase has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Steelcase Phase 2 Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.
