Designer

Stefano Giovannoni for Magis

Original Production Date

2009

Design for the Environment

23% recycled content; 74% recyclable

Warranty

2 years

A shapely design that beckons you relax outdoors, Stefano Giovannoni's chaise longue finds inspiration in the paso doble, a Spanish dance based on the movements of a toreador and his cape. Stackable, weather-resistant, and available with or without arms, it is an enticing addition to a patio, sun deck, or pool setting.
