## Magis Paso Doble *Chaise Longue*

### Designer

Stefano Giovannoni for Magis

### Original Production Date

2009

### Design for the Environment

23% recycled content; 74% recyclable

### Warranty

2 years

The curvy silhouette of this chaise longue by Stefano Giovannoni is a beautiful translation of the fluidity of the paso doble, a Spanish dance based on a toreador's movements. Stackable and available with or without arms, it uses an extruded aluminum frame to form a comfortable place for relaxation.
