

Quadrant™ Lateral Files

FILING VALUE AND VERSATILITY

Quadrant lateral files offer an attractive combination of choice and Herman Miller quality at a budget-conscious price. Ideal for holding files and documents, Quadrant laterals can be positioned under the work surface for handy individual storage, or placed outside workstations for archival or shared storage. Wherever they are used, Quadrant laterals fit right in because they complement Herman Miller systems and freestanding furniture.

B-pull
Full-width, recessed pull;
metal front

F-pull
Radiused, plastic recessed
pull; metal front

Q-pull
Applied arc, plastic pull;
metal or veneer front

Q-pull
Applied arc, metal pull;
metal or veneer front

S-pull
Square, plastic recessed
pull; metal front

V-pull
Full-width, recessed pull;
metal front

IT'S ALL IN THE DRAWERS

File drawers hold letter, legal, and A4-size papers side to side or front to back. A file drawer organizer accommodates computer disks. Drawer interiors are finished with Ironstone paint, made of up to 50 percent recycled power coat.

MADE TO FIT

For in-workstation applications, a raised-height option on the two-drawer lateral eliminates the gap between the file and the work surface.

CHOICE OF LOOKS

V- and F-pull laterals are available in 12 finishes; B- and S-pulls in 10 finishes. ADA-compliant Q-pulls are offered in 10 finishes, plus 11 high-performance veneers. The 6 pull styles and smooth steel finish let Quadrant laterals coordinate with a variety of furniture and interiors.

STRONG AND STURDY

Quadrant laterals are made of steel.

SPACE-EFFICIENT STORAGE

To make good use of vertical space, Quadrant lateral files can be two, three, or four drawers high. In the five-high version available on F-, Q-, S-, and V-pull models, the top unit is a flipper door with a pull-out shelf for books and files. To create a high-density bank of files that doubles as a space divider, laterals can be ganged together side to side and back to back.

LATERAL FILE

A positive interlock system allows only one drawer to be opened at a time.

Lateral files are available 30, 36, and 42 inches wide and 20 inches deep.

12-YEAR, 3-SHIFT WARRANTY

Like all Herman Miller products, Quadrant lateral files are durable for long-term performance and value. As a statement of our confidence in their quality, Quadrant lateral files are covered by the Herman Miller Warranty—a straightforward promise that we stand behind that quality 100 percent. The 12-year, 3-shift warranty covers all standard elements and includes labor on all warranty work.
