

Durable Style.

Naturelife is a collection of high performance resilient sheet flooring engineered for maximum durability in today's most demanding environments. Naturelife is manufactured from high performance raw materials that combine to offer unparalleled strength. It is the only commercial sheet product available with an Embossed in Register texture and when installed with our advanced one-part adhesives, Shaw 4100 or S150, Naturelife carries an unmatched under bed warranty.

- Embossed in Register surface texture and high resolution printing for realistic wood visuals
- Antibacterial and antifungal properties from FlorSept™
- ExoGuard™ quartz-enhanced finish protects against stains and premature wear
- Polish is completely optional for hassle-free maintenance
- Ten year under bed warranty

Product Specifications

Style Name	Naturelife
Style Number	0002V
Weld Rod Style Number	002VS
Construction	Heterogeneous Sheet
Class / ASTM F 1303	Type I, Grade 1
Wear Layer Thickness	20 mil or 0.020" (0.5 mm)
Overall Thickness	0.086" (2.2mm)
Backing Class	4-ply fused backing system
Finish	ExoGuard™ Quartz-Enhanced Urethane
Added Antimicrobial	Yes, FlorSept™
Installation	Glue Down
Recommended Adhesive	Shaw 4100 or S150

Packaging

Roll Size	Nominal: 72" wide x 25 yd long rolls (50 SY/Roll) Actual: 1.83 m width x 22.86 m long rolls
Weight	5.52 lbs/yd ² (2.99 kg/m ²)

Testing

Slip Resistance / ASTM D 2047	>0.6
Static Load Limit / ASTM F 970	1500 psi
Residual Indentation / ASTM F1914	Passes, < 8%
Flexibility / ASTM F 137	Passes
Resistance to Heat / ASTM F 1514	Passes
Resistance to Light / ASTM F 1515	Passes
Resistance to Chemicals / ASTM F 925	Passes
Resistance to Fungi / ASTM G21	Passes
Antibacterial Activity / AATCC 147	Passes
Radiant Flux / ASTM 648	Passes
Smoke Density / ASTM E 662	<450

Warranty

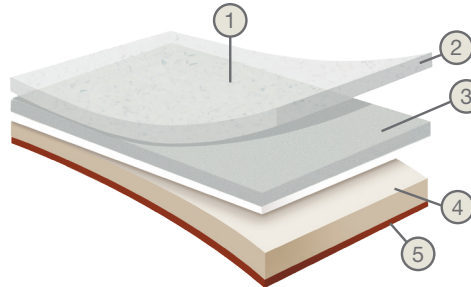

10 year limited commercial wear warranty;
10 year under bed warranty when installed with Shaw 4100 or Shaw S150 spray adhesive. Please visit www.shawhardsurface.com for the most current warranty information.

Environmental

Indoor Air Quality	FloorScore® certified
--------------------	-----------------------

Construction

Naturelife Heterogeneous Sheet features ExoGuard, a quartz-enhanced, highly wear resistant matte finish and our exclusive Embossed in Register wood surfacing technology where the texture matches the pattern of the wood. FlorSept antimicrobial is embedded in the structure, making Naturelife heterogeneous sheet flooring ideal for environments that need extra protection. Not only does Naturelife ensure long product life, it is FloorScore® certified for low VOCs.

1. ExoGuard Quartz-Enhanced Urethane
2. Clear Wear Layer
3. High Resolution Image Layer
4. Commercial Core
5. Commercial Backing Layer

Collection

Naturelife is high performance resilient sheet flooring engineered for exceptional performance in healthcare environments. Naturelife's embossed in register wood texture makes the floor elegant and realistic, and the colorways offered feature a wide range of wood species and tones. Naturelife offers durable style that's both beautiful and built to perform in extreme conditions including under hospital beds and high traffic corridors.
