**B03581**

Buster Bobo is a lounge furnishing perfect for higher education. With large bulky arms, big and sturdy enough to provide additional seating, and a plush seat and back, the lounge chair and sofas would be a great addition to residence halls and student centers. Optional specifications include power and data and a writing tablet which would enhance this offering more to provide space to relax or work on all of your electronic devices. Part of the Bobo Family, Buster Bobo delivers a great presence for all of your areas at large.
