Stacks of Style

Uptown or downtown, Urban's contemporary design and durability lends itself to any environment. Urban is available with or without arms, in four-point, sled base, freestanding or connected. Additional designs include stool height and Easy Access Hip Chair. Urban is standard in 18" and 22" seat widths and **supports up to 500 lbs.**

From education to corporate offices to healthcare, Urban is the talk of the town.

DuraSpec Seat

The comfortable DuraSpec seat option is available in Black and Sterling Grey. This innovative seat is made from a 100% recycled plastic core with over-molded polyurethane that is easy to clean and extremely durable, making it popular in clinics, cafeterias, food courts and other areas where fabric-covered seats may not stand up to vigorous cleaning.

Seat: DuraSpec in Black. Upholstery: Momentum Silica, Cumulus. Backs: Plastic, White and Black.

Seat: Momentum Cover Cloth, Electric. Back: Walnut Heights Stain.

Make the **Cut**

Specify wood backs and choose from three standard back cut-outs. Or create a unique back design with custom cut-outs and engravings. Nine standard wood stains or stain-to-match are available at no upcharge.

Custom **Cut-Outs**, Engravings and Decals

From company logos to unique designs, Spec has got your back.

Four-point 18" wide Urbans stack 10 high on a dolly, and 22" wide Urbans stack four high.

Recycled Plastic Seat Pan
All Urban chairs are manufactured with seat pans that are made from 100% recycled plastic, of which 55% is post-consumer.

Optional wall-saving frame is available on all four-point Urbans in both widths.

The unique Urban arm design is available in Black and Sterling Grey.
