

# Very®

## Seating Details

Very task seating offers personalized comfort for a variety of seated activities. Its patented lumbar support, with asymmetrical control and supportive mesh, enhances comfort to help people stay productive. From responsive comfort to high ergonomic performance, there's a Very chair for everyone, for visual consistency throughout the building.

# Very Features

The Very task chair was designed with patented lumbar support, asymmetrical control, and supportive mesh to enhance comfort. Easy-to-use adjustments let each person tune the chair to fit their needs.

\*Optional

# Very Specification Steps

## Very | Task Chair
