

I 000 Series[®] Stack Chair

Simplistic design - great value

Specifications:

W22 D22.25 H31
Seat: W18.25 D19.75 H17.5

15-year warranty

Simple - rolled edges provide long-lasting comfort and strength.

Durable Textured Finish - molded poly shell has a textured finish, which cleans easily with a damp cloth. Color permeates the shell to disguise nicks and scratches.

Stackable - chairs stack 12-high on a dolly or hand truck for compact storage and easy transport.

Ganging (optional for chairs with chrome finish only) - keyhole ganging system locks a steel knob on the crossbrace into the slot on the adjacent chair.
