

SOUTHERN ANALOG

47% Recycled Content

Available in 6 patterns and 18 Colors

Milliken™

Pinhole in Vignette, monolithic installation

Southern Analog

Unlike the unpredictable lo-fi cameras used to inspire it, the Southern Analog collection always delivers worthwhile results. Variegated linear elements create a dreamlike impression of motion. Rhythmic installations take it further still, to provide vistas yet to be conquered. Allow the patterns to mingle organically or let the beauty of a classic installation shine through.

The Southern Analog collection blurs the lines between utility and drama. A single evocative colorway can transform a space right out of the box, and you may find yourself falling in love with neutrals all over again.
