Magis Paso Doble Chair Outdoor

Designer

Stefano Giovannoni for Magis

Original Production Date

2009

Design for the Environment

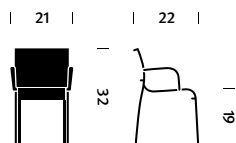

12% recycled content; 83% recyclable

Warranty

2 years

A Spanish dance based on a toreador's movements, the paso doble, served as inspiration for this stackable and seductive outdoor chair.

Lightweight, graceful, and available with or without arms, it combines a sturdy aluminum base with strong, flexible polymer mesh for its seat and backrest. Sold in sets of 2.

Arms

No Arms
