Drape your next project with Bohemia

Design deserves to be unconventional. Informal styles come together to create an unapologetic, fresh-take on texture. Taking its inspiration from nomadic, spirited cultures, Crossville's latest line of fabric-finish tile makes an impression in boho-chic style.

This colorful tile comes 2 sizes - 12x24 and 24x24 – and is complemented by bullnose, covebase, and 2 mosaic options to give you an array of creative solutions. Bohemia's rectified style also features an easy-to-clean, unpolished finish designed to last.

Environmentally Conscious

Bohemia contains a minimum of 4% pre-consumer recycled content and is manufactured by Crossville® using processes that recycle nearly 12 million pounds of previously discarded filtrate and fired tile waste. In addition to its own fired waste recycling, Crossville also accepts and recycles reclaimed, previously installed tile through its Tile Take-Back™ Program. For more information, visit CrossvilleInc.com/green.

Care and Maintenance

Regular cleaning is the best way to keep Bohemia tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville products is available at CrossvilleInc.com.
