The ultimate lightweight folding table solution.

Choose the light one.

Rectangular tables are available in three sizes with sand, blue grey or smooth walnut finishes and black frames (see colors on the right). Round tables are available in two sizes with sand or blue grey finishes and black frames.

DuraLite® Folding Tables

DuraLite folding tables withstand the toughest demands of daily use. The unique honeycomb core, aluminum framework, superior materials, and innovative design result in a lightweight table that is strong and durable.

Easy and Safe

Easily carried by one person, DuraLite tables are perfect for any application that requires repeated set up and tear down (banquets, seminars, catered events and multi-use spaces). The lightweight design also diminishes the risk of back injuries from overexertion.

Strong

DuraLite tables exceed stringent tests for leg strength, weight load, and vertical drops onto hard surfaces. Replaceable corner covers and greater weight-bearing strength result from exclusive design innovations.
