## ***A contemporary look combined with the comfort of a flexing mesh-back chair - now available for fixed seating environments.***

Today's lecture halls demand comfortable seating for extended class periods. Torsion Air on fixed seating provides a fresh, clean look and extraordinary comfort. Now you can get a cohesive look throughout your facility with the Torsion Air collection designed by Giancarlo Piretti. Collection includes: fixed, task, nesting, 4-leg, sled base, and tablet arm seating.

### *cool*

- Mesh back allows for air ventilation and natural coolness. Black or Grey.

### *contemporary*

- Sleek mesh back and linear seat shell combine to give Torsion Air its contemporary elegance.

### *comfortable*

- Patented torsion back flex mechanism and supple mesh provide extraordinary comfort.
