Kurv™ Bench

The Kurv bench features classic design with simple, timeless form. Metal, wood, glass and upholstered options provide an eclectic mix of materials that come together to create an elegant approach to bench seating.

This contemporary collection is not only versatile and flexible but is also a beautiful example of exceptional craftsmanship and quality.

The Kurv bench provides an arched back support, smooth lines and contours and clean architectural style. Offered in straight or angled configurations with standard or tufted upholstery, the Kurv bench adds attractive inspiration to any environment.

Designed by Boss Design.

Kurv Corner
Seat (upholstered)
29W 29D 17H

Kurv's back support tube is tapered to follow the curve of the bench back and attaches from the front with a single, flush-mounted bolt.

The glass table offers a sophisticated option for your bench. Also available in a wood veneer beveled top.

Optional quilted tufting offers a unique aesthetic and adds elegant, upscale appeal to the Kurv Bench.
