LED Desktop Lights

Shine light where you need it. Our LED Desktop Lights adapt to where and how you work.

Our Asymmetrical LED Light shines its beam away from the source to fully illuminate the user's workspace.

Our LED Double Arm Light features an articulating hinge that allows users to place its head at the most convenient location.

Both are available in a variety of mounting or freestanding options.

LED Asymmetrical Light Specifications:

- 4.2 system watts
- 7 fractional LEDs
- Asymmetrical light output
- 85 peak desktop footcandles
- 330 peak lumens
- Full automatic occupancy sensor on/off control
- Continuous touch-and-hold dimming
- 15 watt power supply
- 12" forward reach

LED Double Arm Light Specifications:

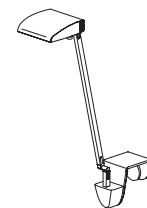

- Easily adjusted head
- 7 watt bulb
- Freestanding base or tool rail mounting option
- Recyclable
- Recyclable die-cast aluminum and plastic components
