Bridges™

Our best selling arched-base table features high quality welded construction, while providing a sleek contemporary look. *The table shown at right features Ranier Cherry woodgrain P3 vinyl edgebanding and Medium Tone legs. The cover table features an MT6Y Comfort™ profile PURTech® urethane edge in White Sand, with legs finished in Metallic Silver.*

OPTIONS/ACCESSORIES

Green Works™

All SurfaceWorks® tables are CARB compliant, and available in optional GreenWorks™ materials. Options include FSC® certified wood products, linoleum top surfaces, edges made from ABS, wood, bamboo or urethane, and NAUF (No Added Urea-Formaldehyde) substrate.

The "USGBC Member Logo" is a trademark owned by the U.S. Green Building Council and is used by permission.
