

SurfaceWorks®

BEHEMOTH™

ACTIVITY TABLE

**Behemoth™**

Available in fixed height or adjustable height (from 22" to 30"), and a multitude of sizes and shapes, the Behemoth Activity Table is second-to-none for its rugged durability. With a mounting frame consisting of all-welded 14-gauge tubular steel, the Behemoth will surely stand up to even the most demanding use. *The Behemoth table below features Group 3 laminate in 101 Game Time, with an MA3 eased profile PURTech urethane edge in Cardinal, while the Cover table features our MA3 eased profile PURTech urethane edge in Cardinal, and Formica® Dry-Erase Markerboard laminate. Original Markerboard art by Kylee D., age 9.*
